## ST. PETERSBURG INTERNATIONAL LEGAL FORUM

### Discussion Session Proposal Requirements for the Business Programme of X St. Petersburg International Legal Forum

In order to suggest a discussion session topic to the X SPBILF Business Programme it is necessary to email to the Programme Committee the following information:

- 1) **Topic** of the discussion session;
- 2) **Concept** of the discussion session – short description of the discussion including the main idea of the topic, its urgency and the list of potential sub-topics to cover;
- 3) **Preliminary list of discussion participants:** Moderator (Co-Moderator if needed) and Speakers.

For ensuring an interesting and fruitful discussion the Programme Committee advises to include in the Speakers list representatives of Russia and other foreign countries engaged in the following sectors:

- business community (governance and heads of legal departments);
- state regulatory bodies and/or international organizations (heads and deputy heads);
- legal and/or management advisors (partners and heads of practices);
- law schools.

Estimated amount of the session Speakers is 4 to 5, while 3 of them should be international representatives.

**Before contacting and inviting the Speakers**, it is necessary to coordinate with the SPBILF Programme Committee the topic, concept and preliminary list of Speakers.
